Understanding Your Krazy Looms Bandz Set

Most sets include a loom (typically a rectangular or square frame with pegs), a hook, and a plethora of colorful rubber bands. Some sets might also include extra tools like a clip, S-clips or C-clips, and perhaps a small storage container. Knowing your tools empowers you to confidently tackle various projects. The quality of the loom, the hook's size and design, and the variety of band

colors all contribute to the overall crafting experience. This is where the difference between a simple loom and a Krazy Looms set becomes apparent, highlighting the thoughtful selection of materials found in the Krazy Looms brand.

Identifying Your Loom Type: Rectangular vs. Square
